

Cairns Central Online Booking System

Which agent is likely to rent your property faster?

Potential tenants can choose an inspection time based on their availability, and their schedule – rather than only being able to book into a single time that suits the agent.

This flexibility in allowing tenants to choose a time that suits their needs means that more tenants are likely to arrange inspections. The more tenants that can see the property, the more likely it is that the property will be rented faster.

Inspection Times Not Suitable
Please check this box, and then click 'Times Not Suitable', if the Inspection Times above are not suitable.

HOW DOES IT WORK?

- New tenants are found for your property quicker.
- Genuine 24/7 system. 38% of tenants book inspections after normal business hours.
- Our system allows numerous inspection times to be nominated, meaning more prospective tenants can arrange to see your property.
- Inspection times and dates for your property are listed on the internet through our custom-designed software, Register Online.
- Prospective tenants click on an "inspection" link and find the time and date that suits them best.
- When an inspection is booked, the tenant receives an instant confirmation.
- Tenants also get reminders, via SMS and/or email, about their upcoming inspection one day and one hour in advance.
- Our software is also accessible from smartphones (such as iPhones) & tablet computers (such as iPads) – so appointments can be arranged anytime, anywhere.

SEE RESULTS IN ADVANCE!

- Our custom-built database allows us to look ahead and see how many people have registered to inspect your property.
- This information allows us to tailor strategies to ensure your property is rented as quickly as possible.
- We have access to accurate, real-time data about the amount of interest in your property
- While our competitors wait and hope, we are making it easy for prospective tenants to inspect your property!
